KEASA members are frequently asked to be available to lecture on various topics. Please list the topics on which you feel willing to share with others in a lecture/discussion format.

Association Director

Rozlyn Reiner

STARWATCHES

Held on the weekend closest to the **New Moon** each month, at the Softball Field in Kaumakani, west of Hanapepe. Starwatches begin at sunset. For further information call us or visit our website: www.keasa.org

Annual dues Regular: \$30 Family: \$55 Under 18: \$15

Dues are for an annual period running from January to December. If joining in the month of October, dues are only \$15. If joining in November or December, full dues payment will cover membership for the following year.

Dues include: Annual membership meeting, KEASA voting rights, notification of starwatches & invitations to special events, access to the observatory at PMRF (special conditions apply), membership in the Astronomical League and, most importantly, access to some of Kauai's most knowledgeable science and astronomy educators.
